

Appalachian State University Graduate School

Thesis Committee Membership Form

A committee consists of a Chair and at least two additional graduate faculty committee members. Please note that all members of thesis committees must be current members of the Graduate Faculty. The committee chair must be a full member of the graduate faculty. At most one of three members may be from outside the major unit/program; the external member must either have graduate faculty status or register as an external member by using the External Membership Registration Form.

Email the completed committee membership form to thesis@appstate.edu

All committee members should be CC'ed on the email, all signatures (committee members and department chair) must be present.
